

# TENOR

A continuous, unwavering course. With this in mind, our goal is to produce one premier blended wine each year using the very best barrels from the very best vineyards in Washington State. We've named this wine "1:1" (one-of-one); which stems from "new chapter, new beginning". Similar to its name, we look at each vintage as a new chapter in the history of our winery and a new beginning for the "1:1". Using the traditional Bordeaux red grape varieties, we create a blend that best reflects the respective vintage. Each varietal is meant to support and add to the characteristics that the others varieties may lack- hence producing the most complete wine possible.

In addition to the "1:1", we produce several 100% single varietals each year. Only the varietals that show best in a particular vintage are chosen to be bottled and therefore verticals of these varietals are not possible. Our vision at Tenor is to shape wines that deliver finesse, refinement, power and grace.

## 2010 Tenor Syrah - 94 Points

"An impressive, pedal-to-the-metal effort that stays balanced and fresh, the 2010 Syrah, aged 19 months in 100% new French oak puncheons (larger, 500-liter barrels), offers up a savory, complex array of creme de cassis, salted beef, licorice, pepper and chocolate as well as a full-bodied, beautifully pure and thrillingly textured mouthfeel. Showing more and more purity and Syrah typicity with air, this fantastic effort can be enjoyed now, but will be even better in 2-3 years. A 10-12 year drink window isn't out of the question. Impressive! Drink 2015-2022." —Jeb Dunnuck, Wine Advocate

Vineyards	Lawrence, Va Piano, Stillwater Creek
Varieties	100% Syrah
Drinkability	Now Through 2021
Ageing	19 months, 100% New French Oak 500L's
